Canadian Navigable Waters Act

Andrew Metlege hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act,

Andrew Metlege has deposited with the Minister of Transport, on the on-line Common Project Search Registry (<http://cps.canada.ca/>) and under the NPP File Number 2021-203669 a description of the following work, its site and plans:

- Proposed infilling (1,668 m² footprint) to protect the shoreline, reclaim land lost to erosion, and maximize the use of the property.
- Infill is proposed to extend 45.7 m from the shoreline and rise 1.2 m above the ordinary high-water mark.
- Precast concrete blocks will be used along the perimeter of the infill as a retaining wall.

In the Northwest Arm at 1454 Birchdale Avenue, Halifax, within a pre-confederation water lot (PID 00078279).

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or if you do not have access to the internet, by sending your comments directly to:
